Cancellation Policy

Please plan carefully as deposits are non-refundable. However, if you find it necessary to cancel your hunt no less than five months prior to your hunt a reasonable effort will be made to book a replacement. Should a replacement be found, you will receive a full refund less a 25% administrative charge. Any cancellations within 60 days of your hunt date will result in the cost of the full price of the hunt.

Wounded Game Policy

We work hard to manage our animal populations to provide high-quality hunting opportunities into the future. We want our hunters take responsible shots on beautiful animals. If you draw blood on a game animal - your hunt is necessarily considered complete. We make every effort to track & recover wounded game animals.
